Our Inspiration - In Our Memories Till the End of Forever ...

Late Babu Karan Bahadur Singh (Babu Ji)

An advocate by choice, an academician by passion and a visionary by his own virtue.

Babu K.B. Singh ji sprouted the concept of value education with global mindset on the turf of his birthplace and change the paradigm of imparting education in the society with his dexterity and determination, apart from following the societal paradigms of defining modern quality education he, himself created and defined the new scenario for imparting education in the society.

A man always ahead of his time envisioned today's scenario many decades back and professed many a things which are relevant today and will be remembered forever.

Babu K.B. Singh jee had a long, robust and illustrative career as an advocate, despite being a law graduate in Princely India, he chose to start his career in Free and Independent India, the fact being his few confidante knew that he declined a lucrative opportunity to pursue barristorship in England.

He aboded all of us with a legacy of integrity, humanity and philanthropy making every living being his Heir Apparent. Today more than five digit students are carrying forward his legacy and making the society a better place to live in and our country a great nation. Deeds of Revered Babu Karan Bahadur Singh Jee, Continues to bless us and keeps us guided, grounded and humbled.

"You should have education enough so that you don't have to look up to people, and then more education so that you will be wise enough not to look down on people".

- M.L. Boren

Late Madhu Lata Singh (Madhu Mam)

O Partha ! When a man expels, all desires from the mind, and is satisfied in the self by the self, then he is called stable in Intelligence.

- *The Bhagvadagita*

Revered Madhu Madam, an epitome of grace and compassion laid the robust foundation of inculcating aesthetic sense among the students through her benevolence. Madam always took some extra mile steps to achieve perfection in her demeanour towards the welfare of the students and staff as well.

Being an exponent of humanities and vocals, she was well articulated and had humane approach in everything she pursued and executed. The students enjoyed on every occasion when she accompanied them to various outings and excursions and promoted them to participate extensively in numerous competitions on state and national level. She brought laurels wherever she went and treated everyone with affection.

Having such empathetic outlook, Madam always stood as the mentor for the institution, she continues to inspire us and keeps SJS moving through her serene vision.

Mrs. Madhu Ramesh Bahadur Singh Jee, will always be an exemplary role model for the entire SJS family.

MANAGER

Mr. Anuj Singh

The responsibility endowed on me to act as the manager of this institution holds me accountable towards building the bright future of our students, SJS Public School being my Alma-mater has instilled those values and virtues that can be passed on to future generations to explore newer avenues .

Although my association with the parents and guardians has been from a considerable time but every rendezvous, every interaction brings a new idea and new challenge for me and I try to the best of my abilities to meet the expectations and standards of quality education.

A person who believes in his actualities rather in his own possibilities can bring a moderation in any system, realising this fact I always try to bring out the best in our students through various teaching techniques and realistic approach.

The faith and co-operation I receive from the Parents/Guardians is tremendous and I am truly indebted to all of you. Whatever little I am today is all by the virtue of this educational institution that is my alma-mater and workplace both, it brings me a great sense of accountability to carry forward this bonding and serve the society through this noble job of imparting education.

With Warm Regards,

Anuj R.B. Singh

JOINT SECRETARY

Mrs. Priyanka Singh

I extend my heartfelt greetings to everyone! Ever since I stepped out of school life, I missed my bygone carefree days of laughter with friends, guidance and scolding from the teachers, discipline of morning assembly, my NCC team, the stage fear of extempore and the thrill of playing a role in stage drama, the triumphant moment of getting awards and the sorrow of losing a basketball match .

The Almighty gave me a second chance to relive those moments and bestowed me the association with SJS Group of Schools.

The moment I stepped in the campus of SJS Public School, I felt that those bygone days were flashing on a celluloid in front of me ! Disciplined students, carefree laughter, tiny-tots talking as if birds were chirping all around! A fresh breeze of air always consumes anyone who walks in this campus of learning and fun.

This is all about my debutant role in school but there are many more aspects that I am learning to facilitate the students with new approach of learning and achieving excellence in every field, I am still going through the transient phase of learning various aspects to guide the students.

I am sure that all of you will guide and co-operate me in this endeavour.

My only aim is to spread smiles all along on the beautiful faces of our students and making them self-reliant and confident so that when they will go in the competitive world, they will be competent enough to face any situation and bring laurels for their parents in their hometown. If I can instill those smiles and confidence in the students, that's my success !!

With Warm Regards,

Priyanka Singh
